FIREFIGHTER/PARAMEDIC ELIGIBILITY LIST

The City of Collinsville is currently accepting applications for Firefighter/Paramedic!

The Collinsville Fire Department is comprised of a highly motivated team striving to become the area leader in Fire/EMS. Every member of the department is trained to Illinois State Advanced Firefighter and members are encouraged to exceed standard. The department has prioritzed providing advanced equipment to best address the needs of its citizens as well as allowing our team members flexibility during an emergency. As the department has grown, specialized teams have been created, such as ice rescue, ensuring a quick and specialized response to emergency scenes. Collinsville Fire Department is a national leader in firefighter mental and physical health by scheduling 72 hours of time off in between shifts.

An Eligibility List is created through a competitive process which includes a written exam and oral interview. Hiring is anticipated from this eligibility list.
